Our Quickstart tennis format is the fastest introduction to the learn the sport of tennis for kids. This class is an introduction to the sport, and is designed for kids to learn the fundamentals of tennis through the improvement and development of hand eye coordination, muscle memory, ball tracking skills, footwork and balance, and proper movement. Kids will gain confidence, self esteem in a socially fun environment, while seeing immediate progress to make learning the sport of tennis FUN!!</p> <p>Racket & Coordination Skills</p> <p>Racquet skills are a great learning tool for kids as boys and girls will start with fairly basic skills and then progress to advanced skills that require advanced control off a player's racquet. Students will learn how to properly hold the racquet, move the ball forward and backward through obstacles, racquet skill relay races, footwork coordination skills with our training ladder, footwork games, proper throwing and catching games/skills, and muscle memory advancement. Kids at this age are at the perfect developmental stage to engrain good non-hitting habits immediately. Remember building blocks, building blocks, building blocks.</p>	<p><input type="checkbox"/> \$90 Member</p> <p><input type="checkbox"/> \$130 Non - Member</p> <p>Enter amount selected here \$ _____</p> <p>Enter again if picking 16 dates \$ _____</p>
